A BULLETIN FROM HEADQUARTERS

DG Debbie Mansell

What's your "Service Superpower?"

My theme this Lions year is "**Service Superheroes!**" Lions are Superheroes in our communities! Not only the 1205 Lions that we currently have in 19-G but the 1.4 million Lions around the globe that are doing community service just like us. Lions take to heart the phrase, "Where there is a need, there is a Lion."

Each one of us has a special service project that touches our heart. We look forward to the event each year because it is so important to us. We bring our friends to help us on the project and we post on our club's website and Facebook page photos of our members serving our community. This club project

makes an impact in the lives of others, you are passionate about it, and I like to call it your "**Service Superpower!**"

Do all Lions have the same Superpower? No, because we are all unique and all have different interests, passions, and beliefs. It is crucial to our clubs' success, that we have a variety of projects to keep our members engaged and active. It is also important to find out the interests of our new members when they join. Listen to these new members, because often they have fantastic ideas for new projects. Make it your mission to help these new Lions find their own "**Service Superpower.**"

My **Service Superpowers** are activated at projects that serve the youth in my community. This could be vision screening at the local elementary schools, a backpack project, a cycling afternoon with kids, an Easter Egg Hunt, or buying toys for kids at Christmas! These were all projects that my club did this year for the youth in our community. I was proudly wearing my Superhero cape at each one of these events!

What is your "**Service Superpower?**" Think about it this year. What is that project that makes your superhero cape appear? You are going to have a chance to showcase your Service Superhero costume at the 19-G Spring Convention, May 12 and 13, 2023. This will be the last 19-G Spring Convention. Let's make it one to remember!

Debbie Mansell, DG 19-G

PRESIDENT'S MESSAGE

from
International President
Brian Sheehan

Dear Lion,

Growing up in small-town Bird Island, Minnesota, working together is something you learned early. Any time anyone needed help, everybody rolled up their sleeves and got to work. That's why I love being a Lion. Because our home is wherever we serve. And we know that "Together We Can" make our homes, our communities and our world a better place for everyone. And best of all? We get to do it every day.

All over the world, in big cities and small towns everywhere, Lions are doing great things, just like we've done for more than a hundred years. We've helped millions of people, and we're going to help millions more this year by working as a team, thinking outside the box and serving like never before. And we're going to have a lot of fun doing it.

It is an incredible honor to serve as your international president. Let's show the world how together we can accomplish big things.

Make a great day,

Brian Sheehan
International President

Lions of C & G,

This will be our second meeting. The first was to simply introduce the concept and see if it had any legs to run with. It would seem that the possibility exists. There are Lions in our two districts who see a place for what is proposed here.

So what are we doing? The purpose is to be an add-on committee whose main agenda is to find positive things we can use from the process of merging Districts C & G and propose them to the Merger Committees of C & G to be used as fun ways to include the membership in the merge process. An example of potential: using the renaming of Zones in both C&G as we merge to become N, as a way to make that renaming process an actual event. How the zones are renamed is actually something the merging committees will address, but we can offer our ideas to them to consider. This is just one example of a potentially positive experience from this process. There may be more just waiting to be thank up!

This second meeting is open to any Lion in C&G who wishes to attend. That is, up to 100. If we have that much interest and it is needed, the 3rd meeting will allow more to attend. So between now and August 15th, keep those brain gears working to help us think up ways to make something positive, inclusive and fun out of this whole merge process.

Leslie Chasse

The next meeting is Monday
August 15th @ 6:00
This meeting is open to all
Lions of Districts C & G.
Please note this not an
official merge committee.

This is the Balloons
and Banners Committee.
Our purpose is to find
positive aspects of our
districts merging and to
highlight them for our use.

A Beacon of Light

Just as the lighthouse casts its beacon over the dark sea, District G stands as a bright light in the realm of membership growth and health. Looking to the leadership and clubs in other districts, we *emphatically* call out:

"We've found the answer! Let us help you!" Like a searchlight in the night, we beckon to all: "Learn from us the "guiding principle" of our success!"

Under Marilyn Patterson's leadership last year and that of

Mark Mansell the year prior to Covid, we dramatically excelled in attracting new members and creating strength in all zones! Now, this year with DG Debbie Mansell at the helm, we are poised to again continue our momentum towards even greater heights and successes (including doubling our focus on member satisfaction and improved retention)!

So, just how are we able to do it? We found the answer to reviving our "Lions Spirit" (which had been lost for many years). We essentially restored our enthusiastic and motivated leadership which, in turn, has motivated and enlivened our members! A simple but effective process that works!

Our team is accepting the challenge; offering to share our found success with others in our Multiple District. It is our hope that we can be instrumental in assisting others to also discover the same exciting phenomenon!

Remembering the adage: "Where there's a need, there's a Lion"; it applies here as well. We in District G have it, and we are ready to share it!

PDG Doug Harvey
2022-23 Retention Chair

PID Jerome Thompson reported these collective goals for all districts in Constitutional Area 1 (USA) in this Lions year:

- *Membership— Add 35,000 members to existing clubs*
- *New Clubs— Charter 250 new clubs*
- *Retention— Drop fewer than 34,000 members from existing clubs*
- *Service— Serve 30,000,000 with 70% of clubs reporting*
- *Leadership— 75% of districts and multiple districts report at least one learning activity in MyLion*

Let's do our share to reach our district and club goals in 2022-23!

ZONING IN WITH GUSTO!

Zone Chair pro tem Kathy Morrison presents the Zone's 2022 Gusto Award certificate to Battle Ground Lion President Liz Elfring, chosen as the Zone 2 Lion who "roars" with the most enthusiasm in her service. The recognition also included the gift of an impressive roaring lion statuette that reminds all who see it the importance of doing all we do as Lions with energy and passion. Congratulations, Lion Liz—you have those important qualities in spades!

THAT'S NOT MY JOB!

ARE YOU AN ANYBODY?

This is a story about four people named **Everybody**, **Somebody**, **Anybody**, and **Nobody**. There was an important job to be done and **Everybody** was sure that **Somebody** would do it. **Anybody** could have done it, but **Nobody** did it. **Somebody** got angry about that, because it was **Everybody's** job. **Everybody** thought **Anybody** could do it, but **Nobody** realized that **Everybody** wouldn't do it. It ended up that **Everybody** blamed **Somebody** when **Nobody** did what **Anybody** could have done.

What is a Zone Chair?

The Zone Chairperson is the link between the clubs and the District Leadership Team. The Zone Chairperson is a full member of the District Cabinet who works to identify and help develop new members and future clubs, and leaders at all levels. The Zone Chair does these things most effectively by understanding their role and responsibilities; goal-setting and action planning; problem solving; and assessing club health.

Duties of the Zone Chairperson

1. Further the purpose of the association.
2. Chair District Governor's Zone Meetings.
3. Report at each DG Zone Meeting.
4. In coordination with GMT/GLT and DG team, promote the Club Quality Initiative (CEP) at all clubs in the zone.
5. Collaborate with the GLTC to support leadership development in the zone.
6. Supervise Multiple District & LCI programs.
7. Ensure that all clubs operate under the Constitution & Bylaws.
8. Promote representation of clubs at all conventions.
9. Visit two regular meetings of each club.
10. Immediately file a club visitation report to the District Governor's team.
11. Resolve disputes that occur within clubs and with the District.
12. Encourage clubs in the zone to collaborate on major projects.
13. Encourage club visitations.
14. Work to retain members and grow the clubs.
15. Attend Cabinet meetings and report.
16. Have FUN!

DISTRICT 6 CLUBS IN A BUSY SUMMER!

L TO R: LIONS JIM IRISH, LANCE EBARB, AND CHRIS KROLL, READY TO LAUNCH ROCKETS! (ROCKET SALES, THAT IS.)

The **La Center Lions** fireworks booth was poppin' during the club's fundraising sale, as club members helped friends and neighbors get ready for their Fourth of July celebrations. From Lion Lance Ebarb, July 9 Facebook: "A lot of effort was put into this year's Lions fireworks stand. Thanks to everyone who volunteered this year. I wanted thank King Lion Janet and Ed Bausch. They worked almost around the clock to pull this off. They were also the overnight security as well... P.S. The Lions truly appreciate everyone who came out to support us. We are grateful."

Camas Lions July 4th: Port of Camas Washougal Celebration Fundraiser

After the long COVID hiatus, Camas Lions (joined by a few Salmon Creek Lions) were able to return to their major annual fundraiser, the Port of Camas/Washougal's Mega 4th of July Celebration. The event was held on the 4th this year and featured live music and the only large fireworks display in the county! This year, Camas Lions hosted the Beer Garden and served up a menu of brats, hot dogs, chips, and drinks. The event was so well attended that the Lions sold out the food by 9:30 pm. In the end, the beer and food sales generated a healthy \$9k net income which will go a long way to support this year's scholarship programs.

New Member Orientation, Induction, and Officer Installation

July 7th Camas Lions held a "marathon" session to conduct an orientation and induction for its newest members, install the 2022-2023 officers, and hold the year-end celebration. DG Debbie Mansell, as one of her first official acts, presided over the induction and installation. The theme for the evening was "wear your favorite sports team gear" and DG Debbie and PDG Mark Mansell added to the festivities by contributing some of the sports swag they had just returned with from the LCI Conference in Montreal. It was a fun evening and a fitting way to cap off an amazing Lions year for Camas.

Camas Days Parade and Community Outreach

On July 22nd and 23rd, the Camas Lions showed their community service prowess by participating in the annual Camas Days Celebration in Downtown Camas. This two-day event provided an opportunity for direct community engagement by the club and included judging for and escorting entrants in the Kids Parade on Friday, walking in the feature parade Saturday morning, and hosting a community outreach booth (both days) to promote service through lionism.

June through July was screaming hot for **Pioneer Lions**...in more ways than the weather!

In June, the club held its last book-giveaway and reading-to-kids-day of the school year at Columbia Heights Elementary School. It followed up in July with the busiest fundraising month of the Lions year, starting off with food service at the community Go Fourth Festival Independence Day celebration--- three days of pancake breakfasts and all-day after-breakfast fare.

Bookending the month was the Thunder Mountain Rodeo during Cowlitz County Fair last week, where the club offered its signature hamburgers, hot dogs, kettle and caramel corn and cold drinks. Four outdoor concerts sprinkled between added to the mix of events. Some shots of these dedicated Lions in action:

Ridgefield Lions keep on keeping on. Club Secretary Gary Crimina reported: "In late June and early July we had 3 different money-raising events. June 16th was Ridgefield Lions Night at the Ridgefield Raptors game. Tickets bought online mentioning the Lions got us a \$5 donation from the Ridgefield Raptors. This event raised \$185 for the club.

Later in June we worked at the ilani BBQ Fest as volunteers. The donation from ilani is coming soon. We now have at least 3 ilani employees that have become Lions from our volunteering.

The last event was the Ridgefield Sausage Festival July 8th-9th held at Abrams Park in Ridgefield. We partnered and split the profits with Metro Productions; and are awaiting the final tally. Event was in its second year and the turnout was fantastic."

“The **Ocean Shores Lions Club** first annual July 4th Fundraiser, “Christmas for Kids” picnic/BBQ/ market was a huge success!!

Sold Out
Fireworks:
Kapow!

“I just wanted to take a minute to thank YOU, Toledo. You helped us sell out of fireworks for the **Toledo Lions Club** annual Independence Day fireworks sale, and raised a ton of money to support LOCAL initiatives, including scholarships, youth sports teams, people in need, and community projects.

These shelves were COMPLETELY empty by the end of the sale, at BOTH stands. This wouldn't be possible without your support, the support of our numerous volunteers, and volunteers from the various high school sports teams that helped out. I can't thank everyone enough.
We love Toledo!
You are all awesome!”

On July 10th, the club held the Toledo Lions Club Beef BBQ at the Toledo city park, and sold tickets for a big “wood or \$300” raffle drawing after the feed. The winner, from Cathlamet, chose to take \$300 instead of the wood, so it was then sold.
