“Together We Can!”

Lions Club International’s President Brian Sheehan has chosen **“Together We Can”** for his theme this year. What an inspiring phrase that sets the tone for our 2022-2023 Lions year. Globally and locally, our clubs have struggled through the pandemic but now are returning to meeting in person and embracing the renewed fellowship. Service projects waned or least changed in the past 2 years, but our club signature projects are rebounding and coming back strong. Our club memberships have dipped but they too are on an upward trend. Lions in District G are resilient. Our members, clubs, zones, and district already practice the **“Together We Can”** theme!

District G clubs enjoy collaborating with other service organizations and other clubs in their zone. For example, clubs in Zone 3 work together to maintain a walking trail and they also collaborate with a prison to bring unwanted bicycles back to life for local kids. Clubs in Zone 2 worked together at the Ilani Casino, raising funds to help support their club’s projects. Lions’ clubs over the entire district collaborate with school districts to provide the state-mandated vision screening for their enrolled children. These are just a few examples of our District G’s **“Together We Can”** positive attitude.

We learned on June 4th that a new opportunity awaits District G this year as we begin our preparation for the merger of Districts G and C. I commend the Redistricting Strategic Planning Committee for the endless hours they have devoted to this process. There will be many more hours dedicated to this effort by the District G and C Merger Committees as we move forward and develop the plan to form the new District 19-N. I am confident that our district Lions will embrace this opportunity to make our Multiple District 19 even stronger. I’m excited for our district to start this new journey! I believe that our positive outlook, creative collaboration, and focused determination will make this a smooth transition. There will be some challenges; it won’t always be easy but **“Together We Can.”**

As you are reading the July newsletter, I am returning from the Lions Club International (LCI) Convention in Montreal, Canada. The incoming District Governors from around the world have convened in Montreal and have been sworn in by the new LCI President, Brian Sheehan. What a thrill to have this opportunity. I am confident I will have some exciting tales to share about our road trip across the Trans-Canada Highway in our camper van. You all know that PDG Mark and I love a good adventure! See you in July when I begin my visitations!

“Together We Can.”

19-G District Governor Debbie

DISTRICT G TO MERGE WITH DISTRICT C IN 2023

The club delegates to the MD19 Special Convention on June 4, 2022 voted to approve the Multiple District 19 Redistricting Plan by a vote of 283 “Yes” (60%) to 189 “No” (40%). If approved by LCI, the nine current districts will be consolidated into five districts. An application for redistricting and the redistricting plan will be submitted to Lions Clubs International for final approval.

How Redistricting Changes our Structure

Current District C (As of 6/1 2022)	1,179 Lions	43 Clubs	6 Zones
Current District G (As of 6/1 2022)	1,222 Lions	38 Clubs	5 Zones
Merged into New District N	2,401 Lions	81 Clubs	11 Zones

MD 19 redistricting information will be updated frequently, so check the [Lions MD 19](#) website often for updates, information, and new resources.

Upcoming Redistricting Workshop

The MD19 Strategic Planning Committee will host a redistricting workshop this month to assist the district merger committees. The session will be held on *Tuesday, July 19, 2022 at 7:00 p.m. via Zoom meeting.*

All District Merger Committee members are invited to attend. The format is an open, roundtable discussion of redistricting issues, challenges, progress and needs.

Email Strategic Planning Committee chair PCC John Kirry for ZOOM login instructions.

WOW!!!

**Wonderful Onesies are on their way
to RANDALL CHILDREN'S HOSPITAL!**

**District
Childhood Cancer**

Chair Edie Brannon shared on June 2:

“Looking forward to a successful relationship in our continuing efforts for Childhood Cancers. Thank you to District Governor Marilyn Patterson, who has only been supportive and encouraging.

Lion Stephanie Jane Odell does magic with fundraising and just can't not make a good thing better.

1st VDG Leslie Chasse for his patient assist with a dedicated email and enthusiasm.
PDG Mark Mansell and DG Elect Debbie Mansell whom I count on for sound advice.
PDG Sharon Sikes....who else am I going to text bounce ideas off of at midnight?
The Camas Lions who took me shopping.

The Salmon Creek Lions for their generous support.

Lion Kay Hurst and her friend Peggy who took our cause to the North Star Quilt Guild who sewed and sewed and sewed and are a delight to be around.

Lion Peggy Wilson who became widowed, survived a flood and still cranked out onesie after onesie; and she was the FIRST Lion to volunteer to help.

And finally Lion Lloyd, who has been through so much and still after 38 years shows me I'm loved and supported. Thank you!

Our little project is over the goalposts now, and what's even better is that it's growing legs. Other districts are watching and starting their own Wonderful Onesies programs.

Wonderful Onesies is over the goalpost and I am over the moon.

I love you all!”

THINGS ARE ZINGING IN THE ZONES!

ZC Casey O'Dell reported that [White Salmon Lions Club \(G-6\)](#) recently honored Larry McCutcheon with the Melvin Jones Fellowship. Larry joined Lions in July 2013.

The club also

held a golf tournament at Hood River Golf Club on June 25th.

ZC Casey also credited [Camas Lions Club \(G-6\)](#) for assisting with cleanup work at the Port of Camas-Washougal.

District Governor Debbie is working to make sure there is a chair in each zone in the 2022-23 year.

Two of DG Debbie's goals are for MD 19G to grow to 1,300 Lions by June, 2023; and for 75% of our district clubs to consistently report their service activities. 1st VDG Leslie Chasse reported that every zone in District G grew in the past year! Give yourselves a hand, 2021-2022 Zone Chairs!

Due to Covid restrictions, [Hazel Dell Lions Club \(G-2\)](#) revised its pancake breakfast project in conjunction with the annual Hazel Dell Business Association Parade of Bands. The club came up with a new kind of event for this year, offering coffee and donuts instead. Because someone at the fire department came down with Covid, the building was off limits; so the club served hungry parade participants and onlookers outside in front instead of inside. But all was well; the club stayed in perfect step and met the challenge. And the beat goes on!

RAPTORS

June 16th was Ridgefield Lions Night at the Raptors baseball game. Club president Dean Stenehjem encouraged everyone to buy tickets online and show up at the Ridgefield Outdoor Recreation complex that evening to watch the contest between the Ridgefield Raptors and the Edmonton Riverhawks—because the [Ridgefield Lions \(G-2\)](#) received \$5.00 for each \$10.00 game ticket sold through the ball club's web ticket portal.

Alas, the Raptors dropped a five-run lead and lost that game to the Riverhawks by one point (and the three-game series too), but the Ridgefield Lions were winners in the ticket sales game!

[Fort Vancouver Lions \(G-2\)](#) secretary Shelly Brown reported that the club completed a recent shredding event in partnership with The Salvation Army. The club also helped at the Washington State School for the Blind track meet on May 19th. The day's event had a great turn out, and participants enjoyed plenty of fun, laughs and a little bit of sunshine! (Detail and photos on another page in this issue).

Or it WAS, that is. The Fort Vancouver Lions Foundation had a delicious strawberry sale fundraiser in May. If you missed out, be sure to get on the club's list for fresh berries next year!

FORT VANCOUVER LIONS ASSISTED WASHINGTON STATE SCHOOL FOR THE BLIND TRACK MEET

ON YOUR MARK...

Fort Vancouver Lion and club secretary Shelly Brown reported that fifteen Lions and friends gathered at the [WSSB](#) campus to help make the Track Meet in May a fun day for students participating in running 50, 100, 200, and 400 yard events, running and standing long jump, as well as shot put and high jump.

The event was very special this year since it wasn't able to happen during the past two years as it has in the past. There were over 100 students registered for the Track Meet this year. Even on a wet day, the students, parents and volunteers all had a great day!

Thanks go to the many Lions and non-Lion volunteers who helped to make the happy day. And to the many food sources that Lion Gay Enyeart worked with to secure donations of brats and buns; potato and macaroni salad; as well as chips and water bottles for lunch! Lion Shelly says, "So many families were blessed!"

WASHOUGAL INSTALLED NEW OFFICERS...

The [Washougal club](#) held its annual June officer installation and member induction; good talkin' and good tacos were enjoyed by all. Club officers for the 2022-23 Lions year are:

- President/Treasurer: Sue Semke-Fox
- Vice-president/Secretary: John Woolley
- Media Chair: Miranda Martin

...AND DONATED FUNDS

Thank you, Washougal for donating \$200 during White Cane Days for Northwest Lions Foundation, to provide better hearing, sight, and health screenings "Your change will change somebody's life"! Lions shared information with the community about Lions commitment to fight blindness.

LYLE LIONS SWING INTO SUMMER

For the summer months of July and Aug the [Lyle Lions](#) will only meet on 7/18 and 8/15. There are no schedule changes for June; we'll let you know later about September. The Pancake Breakfast is still happening every 1st Saturday each month.

Congratulations to scholarship recipients Alana Hail, Arturo Gutierrez, and Sophie Kilian. Lyle Lions Club awarded \$750 to each at their graduation from Lyle High School this year.

Lyle Lions Club no longer has a landline phone. But the Community Center now has a new, more efficient Wi-Fi to help facilitate community meetings and activities.

PIONEERS CORRAL CLUB OFFICERS

Pulled pork and baked beans were on the menu in the grub house, er, the Eagles Hall, on June 12 at the [Longview Pioneer Lions](#) Officers Installation dinner. The western-themed event featured trail boss (aka District Governor Marilyn Patterson) conducting the swearing-in. Everyone had a great time, and the new crew of buckaroos leading the club in 2022-23 pledged to rein in the remaining Covid challenges and round up lots of great Lions community service.

SALMON CREEK LIONS COOK UP, CLEAN UP AND GIVE

L TO R:
LIONS JOHN NIEMELA, DAVID PAGE AND CHERA-LYNN ROBERTS WORK HARD SPRUCING UP THE CAMP TO MAKE IT READY FOR THE HAPPY KIDS WHO WILL BE ARRIVING AT THE CAMP IN THE SUMMER WEEKS AHEAD.

Salmon Creek Lions volunteers spent June 4th cleaning up Gales Creek Campground for Kids with Type 1 Diabetes, getting it ready for the summer sessions to follow giving the kids experience of summer camp. The Lions donated more than \$1,800 to the Gales Creek Camp, money raised through its Shredding Day held in Mid-April. The middle photo below shows Lions David Page, CheraLynn Roberts, Kay Hust and John Niemela giving the check to Camp Director Rob Dailey.

L TO R: LION KAY HUST CLEANS A CABIN; FIVE SALMON CREEK LIONS DELIVER A CHECK TO SUPPORT GALES CREEK CAMP; AND LION GARY PEVEY HELPS WITH THE BBQ GRILL AT FIRE DIST. 6

Also on June 4th, club members cooked and served hot dogs, chips, cookies and drinks at the first Fire District #6 open house to be held since the COVID pandemic shut the event to the public. During the four-hour event, the club served about 750 hot dogs to smaller than expected crowd, due to cloudy and rainy weather. The Lions also collected \$88 in donations for the Fire Fighters Association.

Several other public safety organizations participated, including the Sheriff's Office and the Red Cross. In addition to fire trucks, firefighters presented extraction demonstrations, water spraying, fire suppression exercises, etc.

CHEDDAR DAYS ARE COMING TO TOLEDO

They're just ahead, in fact! July 7-10 the community will enjoy food, fun and friends during the [Toledo Cheese Days](#) festival, Toledo's biggest annual summer celebration. It will have a parade, a classic car and motorcycle show, pancake breakfast, kids activities, many auctions and raffles, arts and crafts, sports tournaments, wine, beer and cheese tasting, and much more. Most of the big Cheese Days events will be on Saturday, July 9th.

Circle the dates and come on out to Toledo prepared to have a great time at the celebration—a [Toledo Lions](#) sponsored event!

BATTLE GROUND LIONS CONNECTION TO THE JR ROSE PARADE

The [Battle Ground Lions Club](#) is very proud of Spencer Walters!! The pictures below are from the Junior Rose Parade in Portland on June 8th.

Spencer was born the night his mom and dad had attended the Battle Ground Lions Christmas party. So, he is "our" baby!!

Way to go Spencer, and Mom and Dad Joanna Ritenburgh-Walters and Glen Statler!

KALAMA LIONS PUT ON THE SPREAD FOR FATHERS

The [Kalama Lions Club](#) cooked up a tasty Father's Day fundraiser on June 19: a breakfast to remember. French toast, pancakes, eggs to order, biscuits and gravy, bacon and sausage and ham (oh my!), sliced strawberries... and maple whip for the French toast and pancakes!

Could the Kalama Lions have created a new Father's Day tradition for families in Southwest Washington?

INFO FROM KALAMA LIONS CLUB.

CAMAS LIONS KEEP IT COMING!

The [Camas Lions](#) solidified their place as a major contributor to the now operational Camas Community Garden in downtown Camas. With over 100 hours invested in the garden by club members, Lions have truly delivered on the motto "where there is a need there is a Lion." One final project for Camas Lions, that is still in the planning stages, is for the club to sponsor/build a new ADA accessible raised bed to ensure full accessibility for all.

Camas Lions joined the community at the annual Parkersville Day celebration, commemorating the historic site where David C. Parker established the first permanent American settlement in Clark County. Camas Lions volunteers supported the community celebration by volunteering to run various children's' games.

Impact Camas/Washougal Food for Families

Camas Lions joined other community volunteers to help feed approximately 200 local Camas and Washougal School District families in need of a little extra help at the end of the school year. Club members assisted many others with packing and delivering boxes of food (which included local grocery gift cards) to these families.

THE SECOND RECIPIENT, EMERSON GRAFTON, WAS REPRESENTED BY HER MOTHER KELLIE, AS SHE HAD ALREADY STARTED HER COLLEGE EDUCATION DURING THE SUMMER SESSION. PHOTOS WERE TAKEN BY VDG LESLIE CHASSE.

On June 16th, the Camas Lions held their annual Scholarship Awards Dinner to recognize the academic and service achievements of two accomplished high school seniors. While Camas Lions received many applications this year, the recipients of two \$2,000 scholarships stood out among the others as demonstrating their heart for service and desire to use their education for the betterment of their community.

July Activities:

July 4th: Port of Camas-Washougal Celebration Fundraiser, where we serve beer and food. This is anticipated to be our largest fundraiser for the year and typically raises enough to support our scholarship programs.

July 7th: We will be holding a "marathon" session starting at 4 pm to conduct; New Member Orientation, New Member Induction, Installation of Officers, and Year-end Celebration. DG Debbie Mansell will be presiding over the induction and installation portions of the program.

July 22nd/23rd: For the annual Camas Days celebration, the club has decided to host a community outreach booth (both days) and Walk in Parade the morning of Saturday, July 23rd.

LA CENTER & CAMAS SOW SEEDS FOR A CLUB AT PLANTERS DAY

La Center Lions Club participated with Camas Lions to host a Lions information booth at Woodland's Planters Day Celebration June 18, 2022.

The club also provided scholarships to two graduating La Center High School students. From La Center Facebook: "The La Center Lions Club was extremely pleased to present a scholarship to two worthy high school seniors at the senior scholarship night on June 15, 2022. Congratulations to both of them."
